NEW-YORK, MONDAY, APRIL 2.

Clay Peatival, 1849 .- A meeting of the Com mittee of Arrangements will be held at the Apollo Rooms (entrance 33 Canal-st,) THIS (Monday) EVENING, Apr 1849, at 74 o'clock, A full and punctual attendance is re P. W. ENGS, Chairman. MARCUS D. BORDCK , Secretary.

Whig County Convention.—An adjourned neeting of this Convention will be held at the Broadway House THIS EVENING, at 74 o'clock SHEPHERD KNAPP, Chairman WELCOME R. BEESE, | Decretaries.

CONNECTICUT holds her Annual State Election to-day. The vote for Congress in two or three of the Districts will be close, by reason of the dishonorable coalition of Loco-Focos and Abolitionists against the Whig candidates, but we hope for auspicious results. We hope to have returns from most of the State in season for to-mor-

THE AMENDED CHARTER.-The amendments to our City Charter, published complete as they | burry to give. Suffice it that we know him very passed the Legislature in The Tribane of Friday, well, that he is an independent and capable farm- Brazos. had not been signed by the Governor when we left Albany on Saturday evening, owing to delay in the engrossment of the bill, but they will be signed this morning and thus become a law. tice relating to the powers and duties of Sheriffs, position of Juries, &c. &c. which require to be small lawyer need be told that this can be better done by those who formed the Code than by any one else. And beside, a full half of the Report of the Commissioners remains to be approved, amended or rejected by the Legislature, and amend Proceedings of to ments will be constantly proposed of which no layman can be expected to comprehend at a of that, inquiring how such a result is to be at- various extra allowances or gratuities of \$ of the Code. If a different course is pursued there will be great danger of anomalies and inconis terminating the official existence of the Com- whom !-Ed. Trib. mission, the Schate has plainly informed the Com | The Express is in doubt about the genu missioners that it chooses to have nothing more

tions shall be made for this act: a ream of petti- | Secretary, -saying : The People already quite generally understand that every lawyer by trade who does not find the better class of business abundant and is obliged or faithful. They have brushed away the cobwebs mysteries and fictions of law-craft with too resonance mysteries and meanly conniving Judges, it is already manual feat that wherever the principles of the Code shall have been thoroughly carried into effect and the brief season of uncertainty and inexperience which must ever follow the adoption of so radical a change shall have passed, the Law Business of the State can and will be transacted for one-third the State can and will be transacted for one-third without exchange, its recklessness is utterly without exchange, its recklessness is utterly without exchange of the code of the coast of the Pacific, likely, an old, and cold shad certainty a without exchange. It is impossible to describe (says the letters) these x cliement which the gold discoveries have created in values at along the coast of the Pacific, likely, and shad most respectable critizen of the District. He lives on Penn sylvania avenue, very near Coleman's Hotel.

"Mr. Greeley, in the city where he is a permanent respict that several thousand persons had mort-guised that reversity on order to rake finds to reach its impossible to describe (says the letters) the excitement which the gold discoveries have created in Valparaise and at long the coast of the Pacific, in the city was estimated that several thousand persons had mort-guised their property in order to rake finds to reach its is impossible to describe (says the letters) the excitement which the gold discoveries have created in Valparaise and all along the coast of the Pacific, was estimated that several thousand persons had mort-guised their property in order to rake finds along the coast of the Pacific Valparaise and all along the coast of the Pacific Valparaise and all along the coast of the Pacific Valparaise and all along the coast of the Pacific Valparaise and all along the coas for plowing, blacksmithing, gold-digging and other And herein is the mainspring of the deadly hostill voted time enough to their duties-their work is all done, &c. &c. But scarcely anybody is blinded to the real cause of all this hostility and undermining Had the Commissioners served their craft bette and the People worse, they might have remained

of the work into its own hands. It has made a large Practice, which are now before the Assembly for details, and therefore shall not pass judgment sioners commenced and have so nobly prosecuted responsibility; let them look well to it! Our present impression is that those who voted to abolish the Commission do not, or at least new not, look to a reelection, while those who evaded the decisive vote will find coming back to the next Scate a dodge beyond their dexterity. However,

in office as long as they pleased.

is informed that we perceive no good reason for electing an Alms House Commissioner this Spring The bill providing for the future management of our Alms House, Prisons, &c. commonly called the Ten Governors bill,' is certain to become a iaw, and will stand, even though the Charter Amendments should be rejected, of which there is no probability. We should think, therefore that any new Alms House Commissioner might be dispensed with.

ARMY RATIONS .- Will any one send us the exact yearly allowance of Clothing, Pay and Rations to each private soldier in the Army of the United States ? We have complaints of pecula tion and robbery which the publication of such allowance may aid to support, or silence.
